

Session 1

Nothing Grows Without Water

Kirby Brill (Moderator)

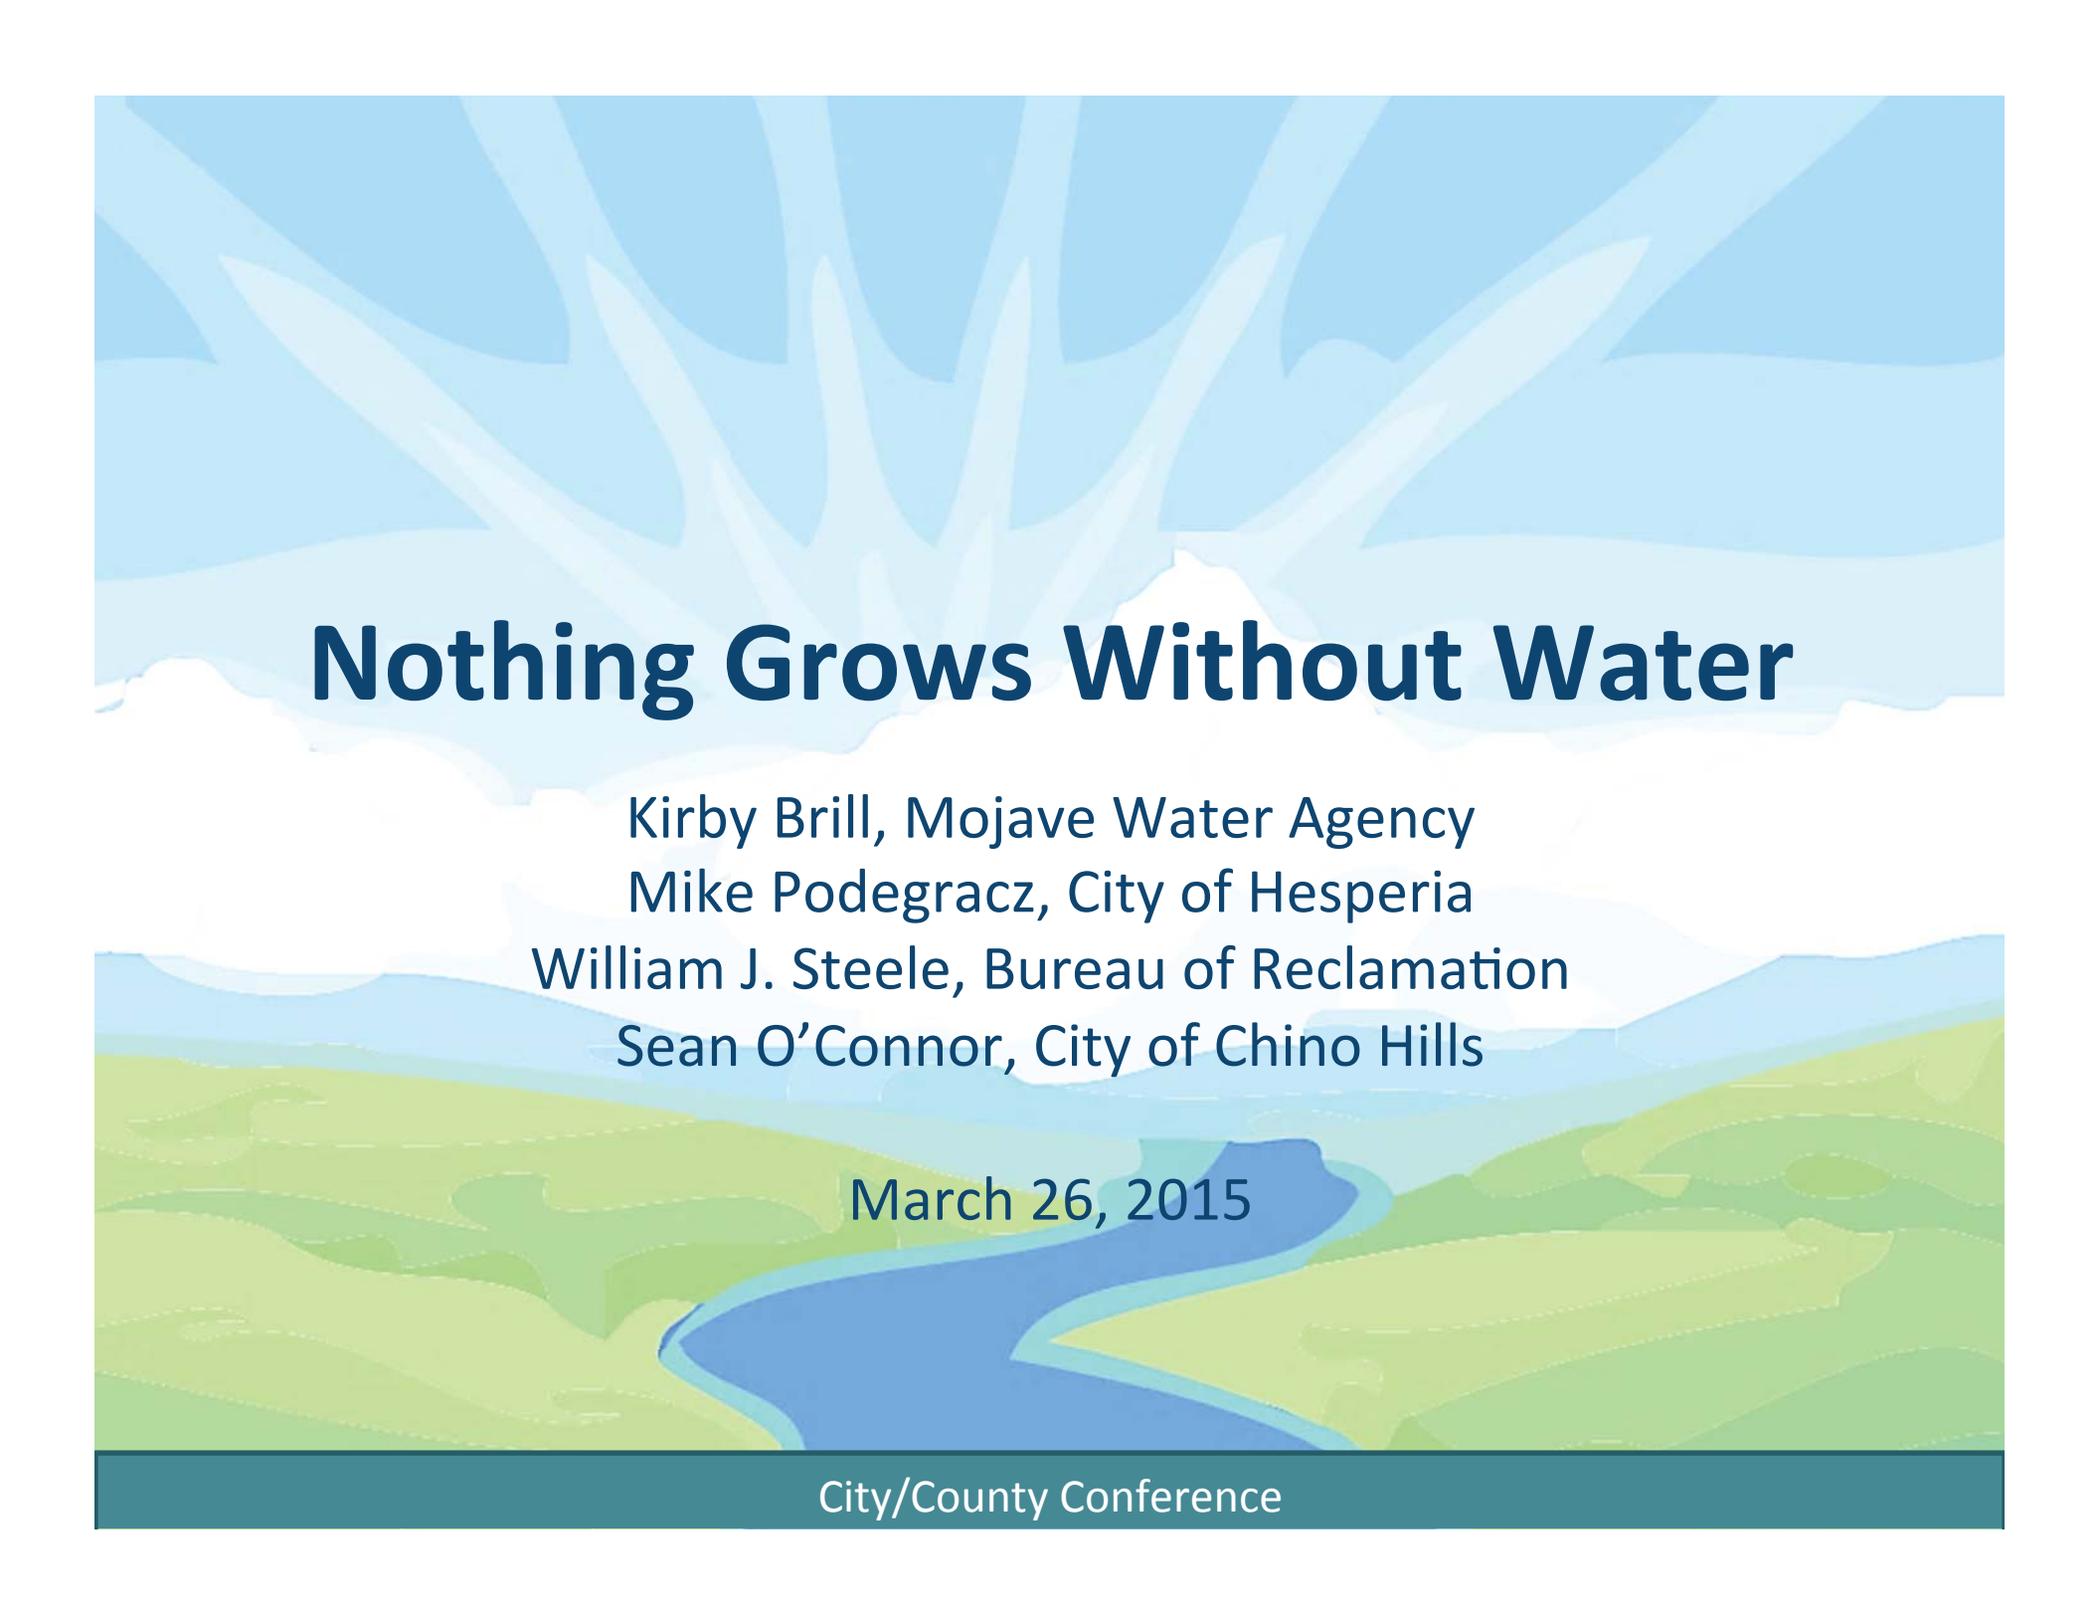

Sean O'Connor

Mike Podegracz

William J. Steele

"A Tradition in San Bernardino County since 1984"

#SBCityCounty

The background features a stylized landscape. At the top, a sun with rays is depicted in shades of light blue. Below the sun are white, fluffy clouds. The middle ground shows rolling hills in various shades of green and light blue. At the bottom, a blue river winds through the landscape. The overall style is clean and modern, using flat colors and simple shapes.

Nothing Grows Without Water

Kirby Brill, Mojave Water Agency

Mike Podegracz, City of Hesperia

William J. Steele, Bureau of Reclamation

Sean O'Connor, City of Chino Hills

March 26, 2015

City/County Conference

Countywide Vision Water Element Group

Countywide Vision Water Element Group

Problem Statement: Improve countywide coordination to plan and manage water resources

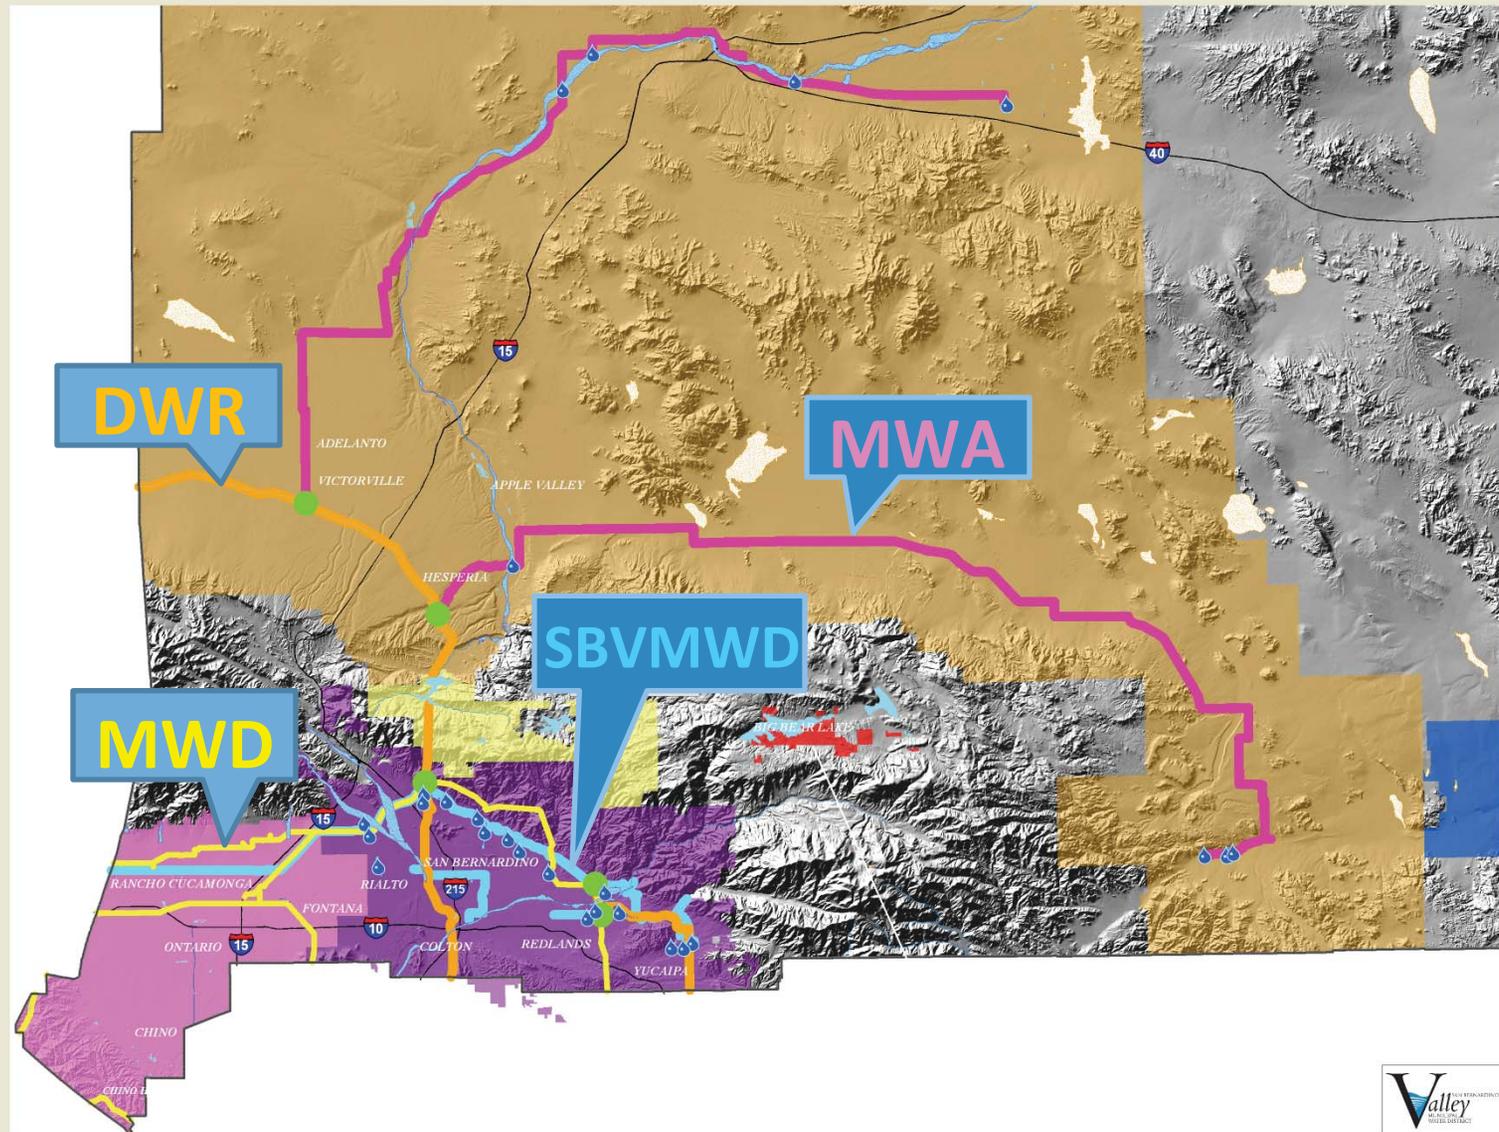

Vision: A countywide strategy that encourages collaboration among business, government, and water agencies that will:

- Create mutually beneficial projects to ensure adequate water supplies and quality now and in the future
- Build institutional and organizational capacity for future countywide efforts

Regional Water Agencies

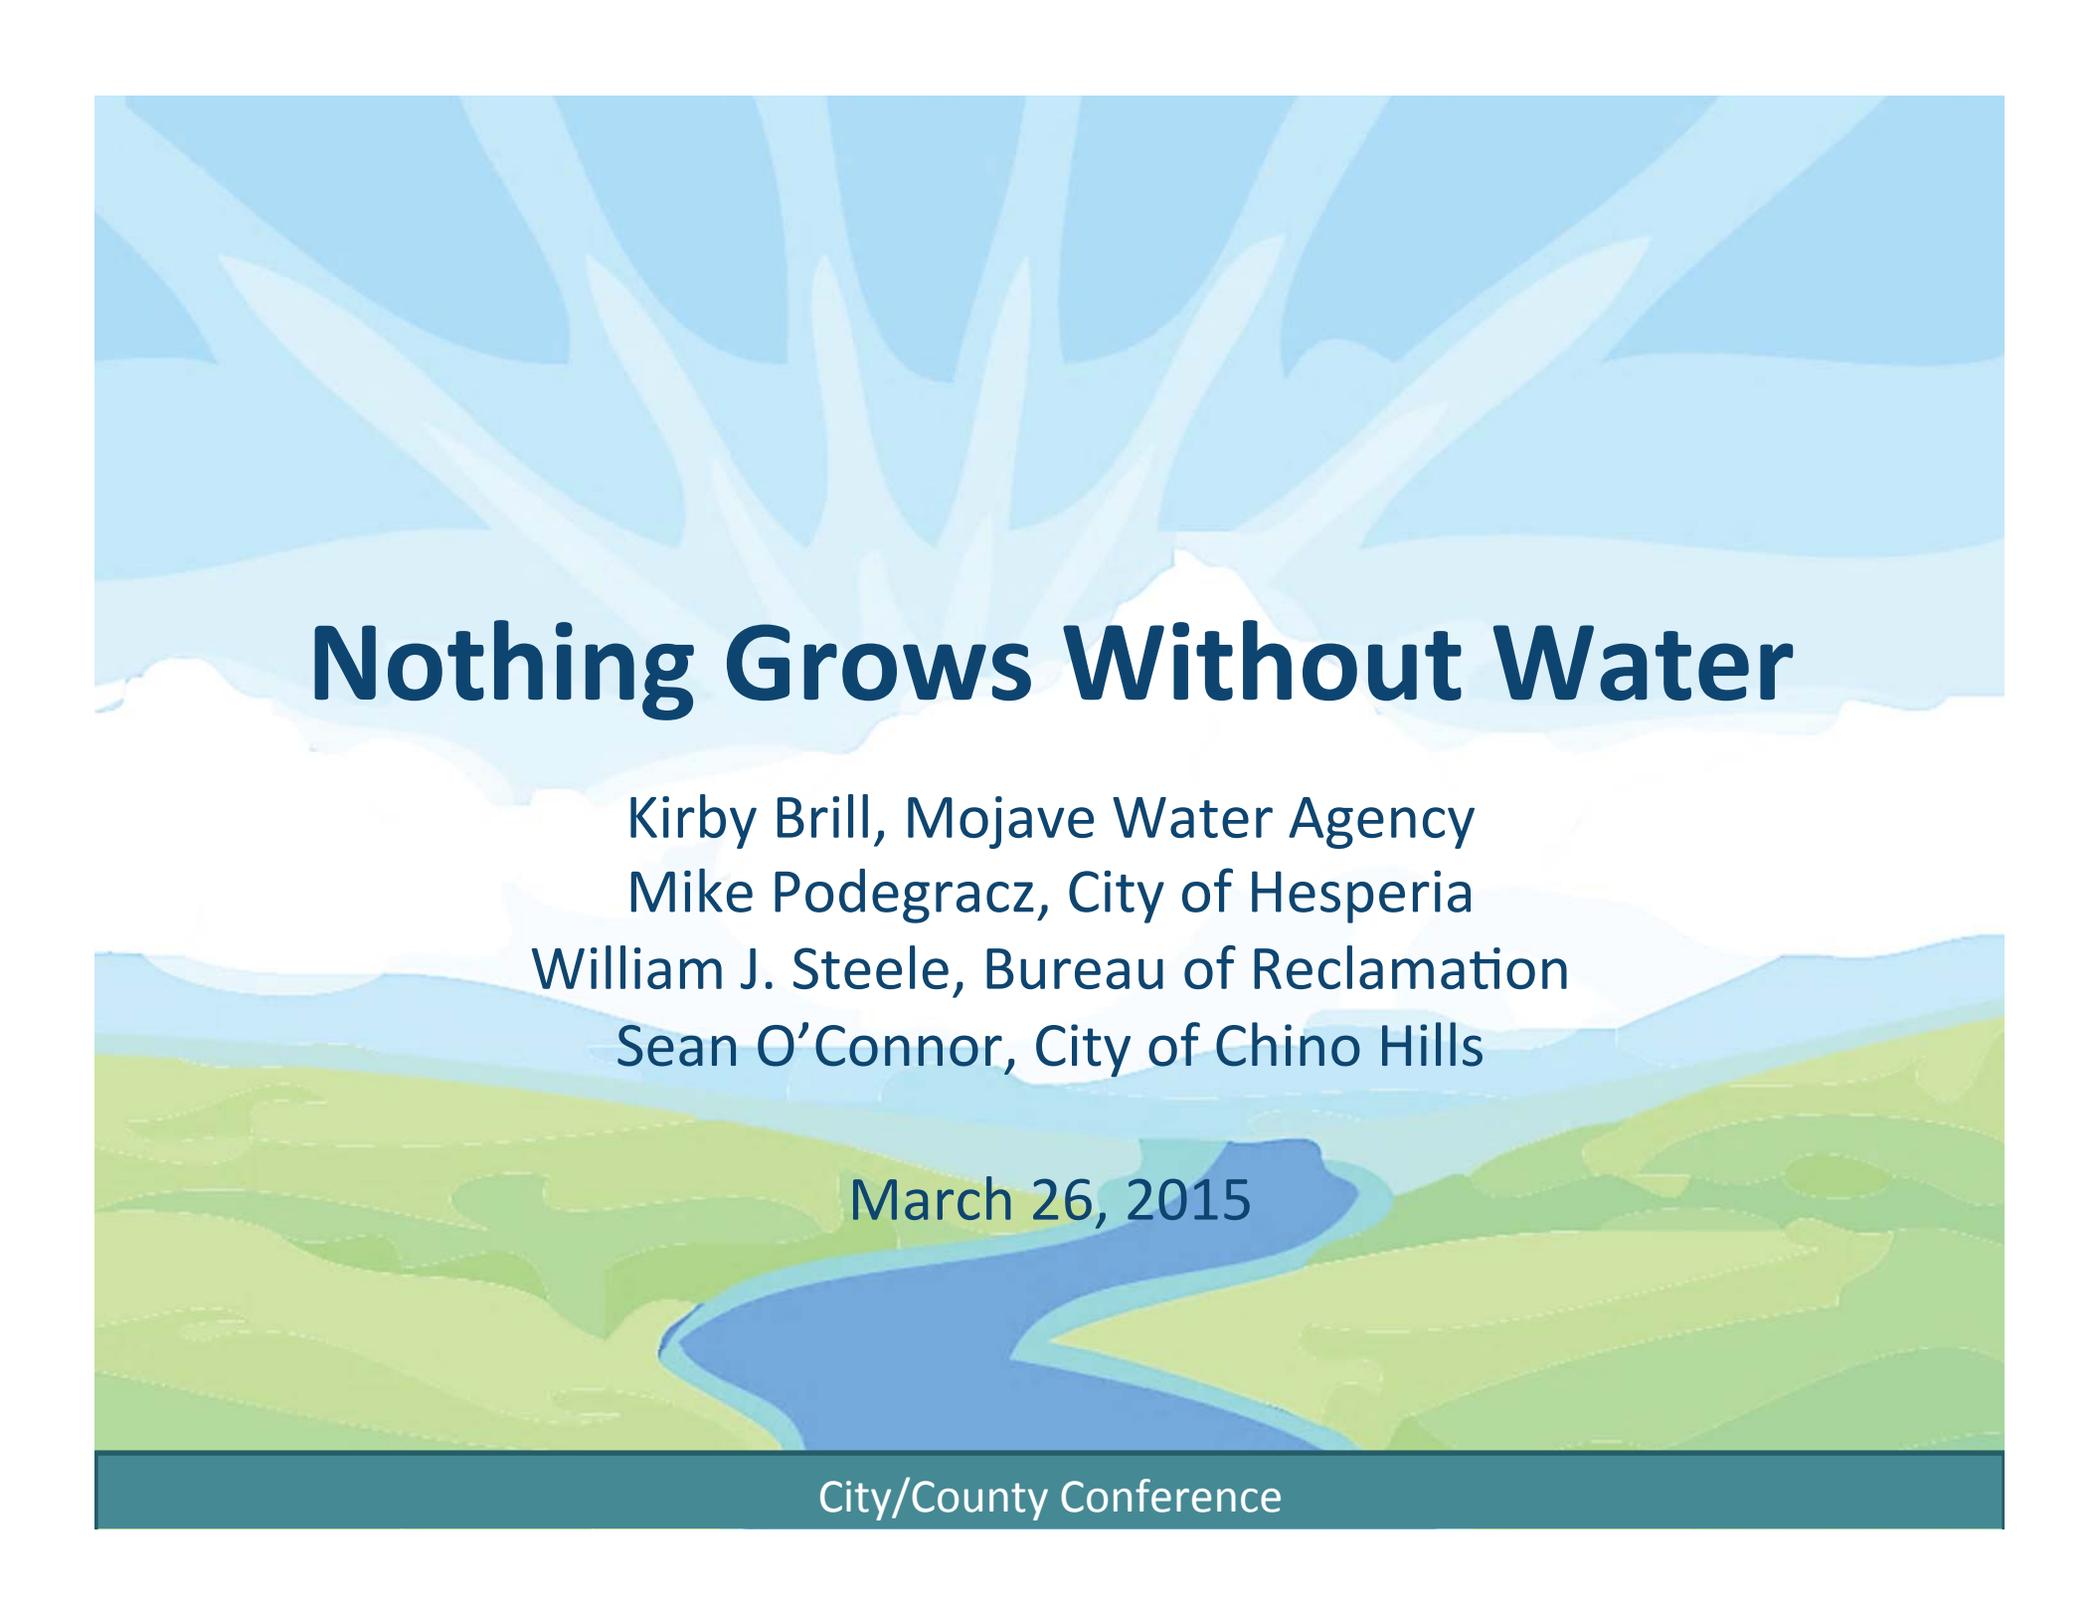

Regional Water Facilities

Water Reliability for Our Future

Strategies

- Strengthen partnerships among water agencies, municipalities and developers
- Develop a Plan:
 - Regional Urban Water Management Plans
- Be Prepared for variations in water supply availability (scenario planning)
 - Diversified water portfolio
 - Collaboration
 - Investment
- Optimize Resources

Nothing Grows Without Water
