

# INTERSTATE 10 RIVERSIDE AVENUE INTERCHANGE PROJECT

The City of Rialto, San Bernardino Associated Governments (SANBAG) and the California Department of Transportation (Caltrans) are hosting an open house to provide information about the upcoming reconstruction of the Riverside Avenue bridge over Interstate 10 in Rialto.

Join us to learn about the project, which will widen the bridge over I-10 from five lanes to nine lanes. Construction will require the closure of the bridge for approximately 7 months, starting on April 27. Once completed, the bridge will improve traffic flow, emergency response times and air quality.

This is an open house-style meeting. Stop by any time between 4 pm and 7 pm to view maps and talk to project engineers and staff about what to expect during the bridge reconstruction.

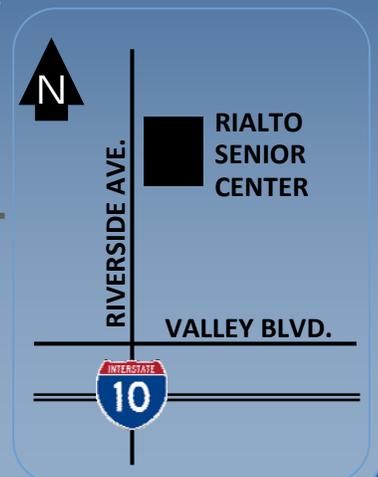

## OPEN HOUSE

### WHEN

Wednesday, April 13, 2011  
4 pm to 7 pm

### WHERE

Rialto Senior Center  
1411 S. Riverside Avenue,  
Rialto
