## Ranchero Road Bridge Falsework Removal Continues

**Hesperia, CA** – The Ranchero Road Interchange Project team will continue the process of removing the bridge falsework over Interstate 15 tonight, Monday, November 24<sup>th</sup>. Southbound nighttime work will begin with closing the two outside lanes of southbound I-15 from 9:00pm to 6:00 am tomorrow morning. Work will then be on hold through the Thanksgiving weekend and resume again on Monday, December 1-5. (See [Closure Detail](#) below)

Motorists should use caution when traveling through the area. Earlier hours of the construction activity will leave at least one lane open to traffic at all times. Operations after 11:00 pm, however, will require a full closure of the southbound direction of the interstate. Traffic will be directed around the work via the newly constructed off and on ramp at Ranchero Road. California Highway Patrol will be on site to assist with traffic and safety.

### Closure Detail

Date	Time	Location	Details
