Ranchero Road Bridge Falsework Removal Scheduled

Hesperia, CA – The Ranchero Road Interchange Project team will begin the process to remove the bridge falsework over Interstate 15 starting Saturday, November 15. Falsework removal will occur in two phases. Northbound nighttime work will happen from November 15 through Thursday, November 20. (See [Closure Detail](#) below) Falsework over the southbound direction of I-15 will follow (schedule not confirmed).

Motorists should use caution when traveling through the area. Earlier hours of the construction activity will leave at least one lane open to traffic at all times. Operations after midnight will require a full closure of the northbound direction of the interstate. Traffic will be directed around the work via the newly constructed off and on ramp at Ranchero Road. California Highway Patrol will be on site to assist with traffic and safety.

Closure Detail

Date	Time	Location	Details
Saturday November 15	9:00 pm - 9:00 am	Northbound Interstate 15 between Oak Hills Road and US 395	The two outside lanes of northbound Interstate 15 will be closed. No detour is necessary as at least one lane will remain open during this activity.
