This brochure was developed to help people use public transit services to Loma Linda Medical Center or to the Pettis V.A. Medical Center. The information presented here was believed correct at the time it was issued. Please check with the local transit operator if there have been changes in the schedules.

Development of this riders' guide was funded in part by a Caltrans/Federal Transit Administration Section 5313(b) Statewide Planning Grant: *Health Access in San Bernardino and Riverside Counties*. For comments or suggestions please call (909) 621-3101.

Copies of this brochure can be downloaded from the SANBAG and RCTC websites:
